Gary,

The TCEQ completed review for the Final Baseline Ecological Risk Assessment Problem Formulation, Final Baseline Ecological Risk Assessment Work Plan & Sampling and Analysis Plan, dated May 10, the associated responses to previous comments, and EPA's comments on the responses. TCEQ concurs with EPA's comments and have no further comments.

Please contact me at 512-239-6368 or Larry Champagne at 512-239-2158 if you have any questions.

Thanks!
